Professional Summary

Full Stack Developer with 2+ years of experience building scalable web applications using React.js, Next.js, Node.js, and NestJS. Proven track record in developing secure REST APIs, implementing CI/CD pipelines, and optimizing application performance. Strong expertise in both frontend and backend development with focus on user experience and system architecture.

Technical Skills

Languages: JavaScript, TypeScript, Python, SQL, Java, C, C#

Frontend: React.js, Next.js, React Native, Angular, Vue.js, Redux, HTML5, CSS3, Tailwind CSS, Material-UI, Ant Design

Backend: Node.js, Express.js, NestJS, Django, .NET (C#), MongoDB, PostgreSQL, MySQL, PHP (Laravel)

DevOps & Tools: Git, AWS (EC2, S3), Azure, Google Cloud, CI/CD, Nginx, Docker, Vercel, Postman, Socket.IO

E-Commerce & CMS: Shopify Development, Liquid, Shopify API, WordPress, Theme Customization

Design: Figma, Adobe XD, Photoshop, Basic Graphic Design

Payment Integration: Razorpay, PayPal Gateway, Stripe

Analytics & Tracking: Google Analytics, Meta Pixel, SEO Optimization

Other: JWT Authentication, REST APIs, GraphQL, Cloudinary, Agile/Scrum, Data Structures & Algorithms

Work Experience

Software Engineer

Auzzon Pvt Ltd

Kerala, India

April 2024 – March 2025

- Developed and maintained full-stack web applications using React.js, Next.js, Node.js, NestJS, and MongoDB
- Designed and implemented secure RESTful APIs with JWT authentication and authorization mechanisms
- Built responsive user interfaces using React, Material-UI, Tailwind CSS, and Ant Design frameworks
- Integrated SQL databases (PostgreSQL, MySQL) for optimized data storage and retrieval operations
- Established CI/CD pipelines and managed deployments on AWS (EC2, S3) and Hostinger VPS
- Contributed to cross-platform development using React Native and Angular with WordPress API integrations
- Collaborated in Agile/Scrum teams using Git workflow, code reviews, and sprint planning methodologies

MERN Stack Developer Intern

Prototype

Kerala, India

April 2023 - March 2024

- Built full-stack applications using MongoDB, Express.js, React.js, and Node.js (MERN Stack)
- Developed reusable React components with modern JavaScript (ES6+), hooks, and state management
- Created responsive UI designs using HTML5, CSS3, Tailwind CSS, Bootstrap, and Material-UI
- Integrated third-party REST APIs and implemented backend services with Express.js middleware
- Utilized Redux for global state management and implemented form validation with Formik
- Worked with Git and GitHub for version control, branch management, and collaborative development
- Participated in Agile development cycles including daily standups, sprint reviews, and code reviews

Projects

Skywards - College Management System | React, NestJS, MongoDB, TypeScript, Socket.IO, AWS S3

- Engineered a comprehensive college management platform with role-based access for 500+ students and faculty
- Implemented JWT authentication with refresh tokens and integrated Jitsi for video conferencing capabilities
- Built attendance tracking system with MCQ assessments and automated email notifications using Nodemailer
- Optimized performance with custom React hooks and TypeScript for enhanced type safety and code reliability

Furniture E-Commerce Platform | Node.js, MongoDB, EJS, Razorpay, AWS

- Architected scalable e-commerce platform with MVC architecture handling 1,000+ product listings
- Integrated Razorpay payment gateway and built admin dashboard with real-time sales analytics
- Deployed on AWS ensuring high availability and 99.9% uptime for growing customer base

Blogger Platform | React, TypeScript, Node.js, Express.js, Redux, Cloudinary

- Developed full-featured blogging platform with CRUD operations and secure JWT authentication
- Integrated Cloudinary for optimized media handling and Redux Persist for session state management

Education

Full Stack Development - MERN Stack

Prototype

Calicut, Kerala, India

April 2023 – March 2024

Bachelor of Commerce Computer Application (BCom CA)

Wisdom College (Bharathiar University)

Thrissur, Kerala, India

2020 – 2023
